NEW LOGO

With the new website design, we also decided to recreate the Stockham Community Church logo. This new logo was intentionally designed to capture our personality and mission. You will recognize the image taken from the cross at the front of our sanctuary.

As a people united by the cross of Christ, the rays remind us how we come from all different communities to gather in our worship of Jesus, but then we also scatter back to our areas where God has placed us with the message of the Gospel. In doing this, we seek shine the light of Christ in rural Nebraska. The green color selected reminds us of our life and growth in the Triune God while also being reflective of our agricultural setting.

We hope that the logo will be a reminder for us as God's people of our identity and mission.

We would like to thank Alex Ruybalid for the design work.
