SUGGESTED RESOURCE OF THE WEEK

Gospels Side-by-Side Pamphlet

The Bible gives us four biographers for Jesus' life: Matthew, Mark, Luke, and John. See Jesus from four different points of view and learn how their views unite to flesh out a portrait of God. Consult this concise chart to find out where there are four Gospels instead of just one, why three Gospels are similar, but the fourth is very different, how the Gospels complement, not contradict, each other, why most of Christ's story focuses on his last week; and more. Find this pamphlet and others in the spinner rack at the welcome center.
