### SUGGESTED RESOURCE OF THE WEEK

#### The Gospel Project

Parents are key to building spiritual foundations in their kids. The Gospel Project for Kids Family App enables parents to reinforce each week's Bible story at home. Each quarter, the app provides a unit introduction and a five-day calendar filled with simple family activities and links to Bible story and discussion starter videos, key passage songs, and fun games. If kids are sick or traveling, parents can use the app at home so their kids won't miss a thing!

The Gospel Project for Students is designed to help students go deeper in their understanding of Scripture and how the story of Jesus Christ ties it all together. In every week and in every lesson, students will encounter the gospel through an in-depth study of Bible, theology, and missions, with the view of seeing how all of the Scriptures point to Jesus, and how the gospel has the ability to transform a student's life. In addition to the lesson content, the student app contains devotional readings with interactive questions, as well as an easy to follow along guide during group time. For teachers and parents, read the weekly blog posts that help put perspective on the weeks lesson. Learn more by visiting [www.gospelproject.com](http://www.gospelproject.com).

**HAVE YOU CHECKED** out our resources lately? We have new books and Bible studies in the basement library! Also, be sure to stop by the spinner racks at the Welcome Center to see new booklets and pamphlets.
