### SUGGESTED RESOURCE OF THE WEEK

#### Gambling June Hunt

Statistics abound that reveal the negative impacts of gambling. Incidents of addiction, bankruptcy, crime, corruption, domestic abuse, destruction of marriages and families, and suicide attempts are higher in the lives of those grappling with gambling than with any other addiction.

#### Discover answers to . . .

- What is the root cause of a gambling addiction?
- What attracts people to the gambling lifestyle?
- What are the different types of gambling?
- What stages are involved in compulsive gambling?

Once the exhilarating ecstasy of winning has captured the mind, will, and emotions, all bets are off on the likelihood that people will find freedom on their own. But don't bet your life away! With the transforming work and intervention of the Holy Spirit, freedom from the grip of gambling is possible.

**This resource can be found in the spinner rack at the Welcome Center in the Fellowship Hall.**
