SUGGESTED RESOURCE OF THE WEEK

Spiritual Abuse June Hunt

Have you become sidetracked in your thinking? Has your attention been so centered on what spiritual leaders or the church will think of you and expect from you that you've lost focus on what God thinks? Perhaps you've unintentionally confused pulpit persuasions with direction from God's Word.

Learn how to recognize when others attempt to gain control by twisting the truth and manipulating Scripture. You can move from legalism to grace, from pleasing man to acknowledging your accountability to God, through prayer and personal study of His Word.

This resource can be found in the spinner rack at the Welcome Center in the Fellowship Hall.
