## SUGGESTED RESOURCE OF THE WEEK

### Stress June Hunt

Are you at your breaking point? Are the effects of an over-committed schedule weighing you down? Do you feel that if you have just one more pressure added to your life, you will break? If we're not careful, stress can come between us and our relationship with others and with God. Discover the biblical approach to stress and allow right thinking to transform your mind. God wants to be your source of calm in stressful situations.

This resource can be found in the spinner rack at the Welcome Center in the Fellowship Hall.

## YOUTH GROUP SCOOP

Last week the youth group worked through Colossians 1:3-14 trying to determine the theme and main point of Paul's writing of the letter. Next week the group will dig into 1:15-23. If you are a parent, we would encourage you to study this book along with your youth and discuss what you are learning with them. We are so encouraged by what the Lord is doing in and through this generation within our church! We would ask that you would please be in prayer for them as the study through this letter.

Thanks!
