SUGGESTED RESOURCE OF THE WEEK

Christ in the Old Testament Pamphlet

All of Biblical History is about Christ, including the Old Testament. Throughout the Old Testament, we see God setting up history for the coming of Christ, not simply by speaking prophetic words, but by arranging the lives of human beings. "Typology" deals with significant historical people that have symbols or events in their lives that correspond to symbols and events in the life of Christ. In quick reference chart format, this pamphlet highlights the lives of people who "prefigure" that central Life who is the Life of the World Himself. Includes Melchizedek, King David, Adam, Noah, Abraham, Joseph, and more.

This resource can be found in the spinner rack at the Welcome Center in the Fellowship Hall.
