SUGGESTED RESOURCE OF THE WEEK

Attributes of God Pamphlet

Knowing who God is, his character and his nature, can be discovered through learning about his attributes. The more we know God, the more our love can grow and mature.

Attributes of God: Basic Beliefs About Who God Is, gives 20 key traits of God: loving, just, kind, all-knowing, all-present, all-powerful, eternal, faithful, and more. Each attribute of God comes with explanation, application, Bible references, and questions for reflection and study.

This resource can be found in the spinner rack at the Welcome Center in the Fellowship Hall.
