SUGGESTED RESOURCE OF THE WEEK

Evidence for the Resurrection Pamphlet

Here are 12 reasons skeptics should believe that Jesus died and rose again. Examine the historical, archaeological, and cultural proofs for Jesus' life, death, and resurrection. Also know the answers to other beliefs held by atheists and others. Learn why the resurrection is central for Christians. Discover the evidence that has convinced critics over the years.

This resource can be found in the spinner rack at the Welcome Center in the Fellowship Hall.
