## SUGGESTED RESOURCE OF THE WEEK

**Decision Making**  
by June Hunt

Plenty of people are putting in their two cents, but it's all adding up to a lot of confusion! You have an important decision to make, and in the midst of swirling opinions, you're left scratching your head about what to do. Your best friend says one thing and your spouse says another, but have you considered—what does God want?

God delights in helping you navigate your way through the big and little decisions in life. He desires His best for you in all things as He unfolds His perfect plan. Down things God's way also leads to blessings and deters you from decision-making methods that can prove to be harmful to you and to others!

*This resource can be found in the spinner rack at the Welcome Center in the Fellowship Hall.*

## MISSIONS CONFERENCE FOLLOW UP

Thanks to all who have generously given to complete the school and yard work projects.

Many lives have or will continue to be touched by your generosity and deeds of kindness. Those projects are wrapping up soon (containers for clothes for Hampton school children will be out one more week) and we will be broadening our circle to reach out to a flood victim family next. If you would like to help make fence for the Wolfe family at Columbus some time after harvest, you may sign up in the foyer. You will be contacted when definite plans are underway. We are still looking for someone who would like to coordinate this project.
